What is it? Sailor GMDSS Simulator is an application designed for practice of MF/HF DSC, ITU GMDSS (3G) and Inmarsat C (it actually contains 3 GPS and a Inmarsat C simulator) simulators. The main function of Sailor GMDSS Simulator is to offer an operator control panel which is comparable to the one used in SAILOR MARCOM programmable system, but it doesn't simulate the entire SAILOR DSC panel. Basic functionality In order to use the simulator, all the following functionalities must be installed. i. Install Sailor MARCOM GP. ii. Install Sailor MARCOM HF. iii. Install Sailors Board. iv. Install Sailors Programming Software. v. Install Sailor MARCOMITU GP. Installation 1. Install Sailor MARCOM GP. Please read the manual first. The Sailor MARCOM GP doesn't require any special setup or configuration. Download the Sailor MARCOM GP package and extract it to the Sailors GP folder. 2. Install Sailor MARCOM HF. Please read the manual first. The Sailor MARCOM HF doesn't require any special setup or configuration. Download the Sailor MARCOM HF package and extract it to the Sailors HF folder. 3. Install Sailors Board. The Sailors Board isn't a specific software. All the Sailors board games are stored in Sailors board folder. 4. Install Sailor programming software. Please read the manual first. The Sailor Programming Software doesn't require any special setup or configuration. Download the Sailor Programming Software package and extract it to the Sailors folder. 5. Install Sailor MARCOMITU GP. Please read the manual first. The Sailor MARCOMITU GP doesn't require any special setup or configuration. Download the Sailor MARCOMITU GP package and extract it to the Sailors GP folder. 6. Install Sailor MARCOMITU HF. Please read the manual first. The Sailor MARCOMITU HF doesn't require any special setup or configuration. Download the Sailor MARCOMITU HF package and extract it to the Sailors HF folder. Quick Start At the beginning, you can select the available functions from main menu and also the format of the log file can be 2d92ce491b
