This video may make for interesting educational material, but is destined to be a historical oddity. Many viewers might want to cringe and wince while at the same time wanting to grab the video they were not permitted to have. Either way, you might want to think before just clicking.... About Me I am an Oklahoma. Native and sometimes I work for a digital marketing company. I am a husband, father, son, brother, uncle, friend, collector, photographer and sometimes I like to write poetry. The things I would like you to know about me is I have four dogs and I love the outdoors. I love the freedom that trail riding provides, it's something that I should have done more of as a kid. Trail riding is my escape from a sometimes boring world. Having the opportunity to meet so many people from all walks of life and riding all kinds of horses is just great. I love to travel and see new things, it keeps me young, and I am certainly going to see it all. Music is very important to me, it is my life, it is my vehicle, it gets me from Point A to Point B. It is like a companion and always there.Q: Passing an array to external JSON file in nodejs I am trying to get an array from my database and pass it to an external JSON file.
